Richard –

I've forward John's redraft to Bob who has sent it to OGC and will coordinate OGC's review. I think the redraft looks very good – a minor typo here and there that we can fix before sending. Since John Michaud is out today, we won't hear back until Monday. Can you send me the

Suzanne – I had not heard back from you, so I went ahead and sent the draft letter to Moscato for his thoughts. Here is his redraft. Essentially all the same ideas but written better and arranged much better. Any word on whether we can send this out?

**Subject:** Letter to Hennis

John – Here is the draft letter to Hennis that EPA’s senior managers are reviewing and deciding if they will let us send. This includes edits from several folks at OGC.

I am off tomorrow but if something should break free and we can mail this tomorrow, I will come into the office and get it out.

Let me know if you have any great heartburn with the letter.

Steve and I are working on another angle which I will tell you about tomorrow.

Steve – if you heard anything after we last spoke today, please let me know. You can call me at Personal Phone/Ex. 6 (home phone) or Personal Phone/Ex. 6 (cell phone).

Thanks
